born May 16, 1958
died July 12, 1976*

Prayer to a Guardian Angel

May the spirit of your life bless Emma with its joy, humor, wonder, intelligence, and beauty. May you watch over her as a guardian angel, guiding her when you can, protecting her when you can, comforting her in all things. May she seek to live a life like yours: worth cherishing and remembering after death, ever reborn in lives that follow.
